

PG Diploma in Health Safety and Environment

(CHRED Govt.Of India)

Curriculum for Management Courses :-

You can join regular PG Diploma in Health Safety and Environment Exam will be held on July or Dec every year, you can pursue 1 year diploma, just you have to send Demand Draft infavour of National Institute of Fire and Safety Engineering Payable at gwalior of amount Rs. 55100 course fee. As soon as we received your Demand Draft and Application Form we will send you Study Material at your given address.

Management courses that we offer are highly compatible with International Standards. It has been our constant endeavour to provide the best possible Study Material for the students. The International curriculam added in our syllabus are an effort to make this possible. We want our students to excel in what they are doing; creating a Safety Manager / HSE officer / Safety officeris not the aim for us, its making a Manager who can really take its organization on a high with Zero Accident policy.
